

Kids to See Cartoons Made By Artist at Market Town

The children of the community are invited to see how Walt Disney cartoons are made, according to an announcement by Curt Long, manager of Market Town Market at 15017 S. Crenshaw Blvd., Gardena.

On Thursday, March 19th, from 3 p.m. to 5 p.m. a Walt Disney Studio sketch artist will be at Market Town, Gardena, making original drawings of Disney characters which will be given away free as part of the market's Peter Pan Days celebration this week-end.

Douglas Moir Named Little League Head

Douglas N. Moir was elected president of the Torrance Little League baseball organization in elections held last week.

Named to serve with Moir were James N. Hawkins, vice-president; S. G. Roberts, secretary; and Ed V. Hansen, treasurer, it was disclosed.

Plans are being made now to begin little league ball play for all Torrance boys from nine to 12 years of age. Play will begin this spring, it was reported.

Preparation of a ball field has already begun, according to Stan Roberts, press chairman and YMCA executive secretary. Jim Nix, who is in charge of the field construction on Crenshaw near Pacific Coast Hwy., reported that the area had been surveyed and staked ready for grading.

Grading is to be completed this week in preparation for layout of the diamond and seeding of the field, Nix stated.

Roberts announced that Torrance Little League decals are on hand to be sold to help finance the construction of the field.

College Concert Set Tomorrow

The first formal concert to be held at El Camino College in four years will be presented tomorrow night beginning at 8 p.m. in the Campus Center.

Featured in the program will be the orchestra under the direction of Hamilton Maddaford, the A-cappella choir directed by Neil Hill, and students of Dr. Gordon Orme's advanced voice class, it was reported.
